Grand Knight's Report

Dear Fellow Worthy Knights,

What a fantastic job by our Knights, families and volunteers for our 34th annual downtown Turkey Day Run. Wow! We attracted 6,052 registrations this year. It was great seeing the competitive runners, walkers and families on a festive Thanksgiving morning. A special thanks to Bishop Guglielmo and Chaplain Father Parker for their blessing of the race and opening prayers and also for the presentation of colors by our local Marine Corp Color Guard. We have been blessed once again to achieve the pinnacle of our race and will be able to use the net proceeds to support worthy local charities over the next few months!

We are fortunate to have a great TDR core committee of knights and volunteers. It has to be considered our best one yet under the leadership of Rob Wills and Lewis Moore. Therefore, it is easy to conclude that Rob Wills is our Knight of the month and Lewis Moore's family is our family of the month. I cannot express enough thanks to these knights for their dedication, leadership and long hours to make this event run so smoothly. See all the details of our race at our website at www.turkeydayrun.com.

Please plan on bringing your children and your family down to the Hall for our Children's Christmas party on Sunday December 4th starting at 11:00 am and for the City's annual Christmas parade (2-4pm). Santa Claus will be there! Our children's Christmas party is another great way to celebrate the birth of our lord and redeemer during the advent season.

Remember our business meeting on December 8th and a plan to have a first degree. Don't forget the rosary dinner on the second Sunday of the month. Please bring your family or a prospective knight.

Insurance

From the Field Agents:

CHRISTMAS

This Christmas give your family a gift that they'll cherish. It is a gift that shows that you truly love your family. Life insurance.

When you purchase life insurance it isn't just for yourself. It is for your entire family.

Life insurance does two things. The first thing is it provides you and your wife with an income during your retirement years. It enables you to live and not worry about money. You may go and do what you want.

The second thing it does is it protects your loved ones if you were to die prematurely. It gives your family financial protection so that they may survive in your absence. It can be nearly impossible for a family to live without life insurance when the breadwinner dies.

Be a real St. Nick and get life insurance today.
